CREATION MYTHBUSTERS

SERIES OF 5 SERMONS TO HELP YOU DEFEND YOUR FAITH

SUN., JAN. 13 -- SUN., FEB. 10, 2019

- Does science disprove the Bible?
 - Where did we come from?
 - How old is the earth?
- By chance or by a Designer?
 - Why does it matter?
- Am I naïve and out-of-date for believing?
- Are there good answers I can offer in a discussion?

"Creation Mythbusters" sermons are being recorded.

TODAY WE BEGIN a series of sermons entitled, "Creation Mythbusters." We will be exploring the ongoing debate between science and religion, evolution and creation.

In Today's Worship: Where you begin determines where you end up. The search for truth which denies even the possibility of the supernatural will have to find natural answers for what can only be explained by acknowledging God's existence and His creation of the universe. The presuppositions derived from your worldview are what make the difference in the truth you will find. Time to discover what color glasses you are wearing as you look at the evidence of the origin of the universe.

Prayer Before Worship: Heavenly Father help me not to lean on my own understanding but in everything acknowledge You so that You can direct my words, thoughts and actions. In Jesus' Name, Amen.

St. Paul has a new Website! Since people look for information on the internet, our website is important. Check out our new website at stpaulamherst.com. You can find up to date information, a prayer wall, and much more.

WE INVITE ALL SINGERS to give choir a try. Rehearsals are on Thursday nights from 7:30 to 8:45 PM.

Hand Bells Rehearsal Hand Bells rehearse at 6:15 PM on Thursday evenings. You are invited to come and try out this very easy way to play an instrument to glorify God in worship.

NEW BIBLE STUDY! Loved and Sent As Christians we often stutter when someone asks, "Who are you? What do you believe? Why does it matter to you?" We get a unique chance to share our heart, and we say too much, or nothing at all. Discover in this 5 week Bible study who you are and why you matter. Once you know that, then you'll have something of great value to share with someone, and be able to do it naturally, easily, without pressure, within a relationship with family or a friend. **Loved and Sent** is taught by Pastor Paul on Sunday mornings from 9:45- 10:45 AM, and reach lesson is repeated at *Seasoned Saints* on Tuesday mornings from 10- 11AM, beginning Tuesday January 8th.
