IN TODAY'S WORSHIP: "Hallelujah! Celebrate what's *RIGHT* in the world." The pandemic, economy, the uncertainty, fear, and unrest cause us to focus on the negative things. Yet, in spite of troubles, God's goodness is all around, if only we have the eyes to see it. Today we praise God for His genius in creating the complex and amazing world we live in. Since you are not here by chance, but here because God purposefully created you, your life has value and dignity!

PRAYER BEFORE WORSHIP The warmth of the sun's embrace, the gentle breeze swept in by incoming tide, the rhythm of seasons, of new birth, death and recreation. All these speak so clearly of Your love, Your power, and Your beauty. All are expressions of Your creativity, and more importantly of Yourself, Heavenly Father. As an artist might share his personality within each brushstroke, so within the myriad colors of a butterfly's wing You share the exuberance of Your love. Amen.

Whether this is your first time at St. Paul, or you're a "regular," we hope you see that our welcome mat is out for you. If you're a guest with us for the first time, we hope you'll find today's experience helpful to you, and you are invited back any Sunday at 8:30 AM or 10:00 AM.

Ushers are standing by to assist you in locating a seat, directing you to restrooms, coat racks, and to our nursery.

Kids' Activity Bags are filled with crayons and coloring booklets, and other quiet things to keep kids' attention. They are in the back of the worship center, or see an usher for these.

Worshippers who wish to receive Holy Communion are encouraged to thoroughly read the announcement on the following page regarding Communion reception.

Join the Tech Team Our tech team is growing! With the addition of making our service available LIVE on the internet each Sunday, we are need of teams of two for each service. No experience necessary! You will be trained with what you need to know. We currently have four people serving. If you are interested in being trained and put into the tech rotation, please contact Judy at the church office!

Fall is coming fast and it is time to prepare the church grounds for the winter season. Saturday, September 12, 2020 at 9:00 AM - 1:00 PM we will need helping hands to trim bushes, and clean out gutters. No matter your age or ability to move about there will be small and large tasks that can be aligned to your God given abilities. Bring hedge trimmers, loppers, hand cutters, gloves, rakes, and wheel barrels if you have them. Leaf blowers can be used to speed up gutter cleaning and ladders will be appreciated for the gutters on the church proper. Teenagers on up are welcome to assist. If it is warm and due to COVID-19 make sure to bring your own water bottle, hat, gloves and mask.

We welcome Emily Marty back to the organ bench! Emily will be accompanying the Sunday 8:30AM worship service until St. Paul hires a permanent musician.

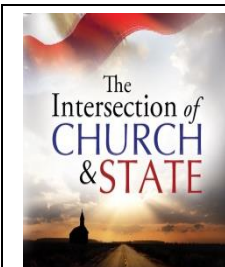

Your Prayers are Important and Powerful!

Prayer can do what government cannot, what education cannot, what military might cannot, and what planning committees cannot. All are important, but powerless in comparison to prayer.

Prayer can move mountains. Prayer can change human hearts, families, neighborhoods, cities, and nations. It is the ultimate source of power, because it is the power of Almighty God. And prayer is available to even the humblest Christian.

PLEASE PRAY THIS WEEK FOR:

- Please pray for St. Paul's Preschool, and all schools, colleges, teachers, students, and administrators. Pray that learning may happen in a safe way, without conflict, or anxiousness.
- Pray for Candy Fike who will have surgery soon.
- Pray for Cheryl Street, Richard (Edna Klenz's brother), Pam Savoy (friend of Karen Anderson), Naomi Yates, and Chris (sister-in-law of Virginia Warnock), who are battling cancer.
- Pray for Lori Gingrich, sister of Lynn Jiovanozzo, who is hospitalized with serious blood infection and now in ICU.
- Pray for Olga Vincek, a friend of Diane Lamoreaux's, who is in rehab following a stroke.
- Pray for Gladys Strauss in hospice care.
- Pray for Aubrey Lynn Haught (newborn granddaughter of Zoltan Zoltai) recovering from abdominal surgery.

- For those celebrating birthdays this week: Karen Vilagi, Robbie Becker, Thomas Beran, Dan Streza, Cody Timbs, Debbie Smith, Jeffrey Trottier
- Pray for our country, that we work together on preventing the spread of covid19, caring for those who are ill, and helping those who have lost loved ones.

How do we live as Christians in the United States in this time of unrest, with an election coming soon? This study and discussion suggests that your faith *intersects* with society around you instead of a “*wall* between Church and State.” Videos show expert commentary from academics, church and civic leaders, agency professionals and others. Join us Tuesday mornings at 10AM at St. Paul, with social distancing.

TODAY @ 10AM

Help for Beirut through Lutheran World Relief. On August 4, 2020 a massive explosion tore through Beirut, Lebanon. In addition to the devastating casualties, injuries, and widespread destruction, Lutheran World Relief learned that three 40-foot shipping containers filled with thousands of handmade mission quilts and school, personal, and baby care kits—amounting to more than 47,000 items—were destroyed. The total value of the lost shipments was approximately \$624,000. These items were bound for families throughout Lebanon struggling with the current economic crisis and COVID-19 pandemic, including refugee families from Syria and the Palestinian territories. The containers were part of a shipment to be distributed by Anera, an NGO and longtime Lutheran World Relief partner that serves refugees and other vulnerable communities in the Middle East.

The loss of more than 22,000 quilts, sewn by individuals and members of Lutheran congregations across the U.S., could mean a more bitter winter for thousands of refugees. “Our quilts are made with love by those who painstakingly craft them, and they’re deeply appreciated by the people in distress who receive them, both for the warmth and the message of care they provide,” said Melanie Gibbons, deputy director, outreach and engagement at Lutheran World Relief.
