IN TODAY'S WORSHIP: The church has "sent" people for generations. As a denomination, we have sent thousands of missionaries around the world to preach. We have sent people to work in social ministry organizations and projects. Today we hear Jesus sent the disciples to people. To homes. To the places where those who do not know the Gospel live, work and play. God does not just send us out to places. He sends out to people. The Gospel is about people. It's about loving people where they are, in their world.

PRAYER BEFORE WORSHIP Almighty God, through Jesus You not only welcome us to Yourself, but You have actively sought us and You rejoice over each person who is brought to trust in Jesus for forgiveness and heaven. Give us Your heart for lost people that will translate into actively seeking by sharing Your love. Amen.

Whether this is your first time at St. Paul, or you're a "regular," we hope you see that our welcome mat is out for you. If you're a guest with us for the first time, we hope you'll find today's experience helpful to you, and you are invited back any Sunday at 8:30 AM or 10:00 AM.

Ushers are standing by to assist you in locating a seat, directing you to restrooms, coat racks, and to our nursery.

Kids' Activity Bags are filled with crayons and coloring booklets, and other quiet things to keep kids' attention. They are in the back of the worship center, or see an usher for these.

Worshippers who wish to receive Holy Communion are encouraged to thoroughly read the announcement on the following page regarding Communion reception.

Join the Tech Team Our tech team is growing! With the addition of making our service available LIVE on the internet each Sunday, we are need of teams of two for each service. No experience necessary! You will be trained with what you need to know. We currently have four people serving. If you are interested in being trained and put into the tech rotation, please contact Judy at the church office!

Fall is coming fast and it is time to prepare the church grounds for the winter season. Saturday, September 12, 2020 at 9:00 AM - 1:00 PM we will need helping hands to trim bushes, and clean out gutters. No matter your age or ability to move about there will be small and large tasks that can be aligned to your God given abilities. Bring hedge trimmers, loppers, hand cutters, gloves, rakes, and wheel barrels if you have them. Leaf blowers can be used to speed up gutter cleaning and ladders will be appreciated for the gutters on the church proper. Teenagers on up are welcome to assist. If it is warm and due to COVID-19 make sure to bring your own water bottle, hat, gloves and mask.

Your Prayers are Important and Powerful!

Prayer can do what government cannot, what education cannot, what military might cannot, and what planning committees cannot. All are important, but powerless in comparison to prayer.

Prayer can move mountains. Prayer can change human hearts, families, neighborhoods, cities, and nations. It is the ultimate source of power, because it is the power of Almighty God. And prayer is available to even the humblest Christian.

PLEASE PRAY THIS WEEK FOR:

- Pray for Lindsey and Jeffrey Trottier as they await the birth of their son, Colt.
- Praise God for a successful back surgery for Lauren Bender last Tuesday. Pray for her and Kendis to be able to come home from Rainbows Hospital in Cleveland soon.

- Pray for parents who are struggling to work, find day care for children, home school, and keep kids free from covid19 infection.
